eduworks.AI

AI Solutions for Digital Transformation

Eduworks solutions generate digital representations of performance, skills, training, individual and team capabilities and use customized AI to provide a whole new level of real-time actionable insights.

Packaged and Custom AI-enabled Solutions for

- Aligning training with requirements
- Analyzing performance reports
- Identifying skills gaps
- Recommending training experiences
- Building the right team with the right skills
- Informing real-time training decisions

AI Beyond the Ordinary

Eduworks AI is not just another variant of ChatGPT. Our AI uses real-time data, is built for rapid, cost-efficient updates, and minimizes bias and hallucinations.

Digital Transformation that Works

Eduworks has been at the forefront of digital transformation for over 20 years. Our solutions are used across the DoD and in commercial applications.

The Team You Need

Our world-class AI and digital transformation teams know how to bring the best tools to bear to solve complex, high-tempo challenges in a dynamic threat landscape.
